SoftGuard® 100% Virgin Premium White V-Fold 2-ply Hand Towels combine premium softness, absorbency, and durability with a hygienic, user-friendly dispensing system. Supplied in a large, cost-effective case, they are the ideal solution for maintaining high standards of hygiene and comfort in any busy washroom environment.

Product benefits:

- ✓ **Superior comfort and absorbency:** The 2-ply, 100% virgin pulp construction ensures each towel is soft, strong, and highly absorbent, delivering a comfortable and effective hand-drying experience
- ✓ **Hygienic dispensing:** The V-fold design ensures towels are dispensed one at a time, minimising the risk of cross-contamination and supporting high hygiene standards in busy environments
- ✓ **Cost-effective bulk supply:** With 4,000 towels per case, these hand towels are ideal for offices, schools, hospitality venues, and healthcare settings, reducing the need for frequent restocking
- ✓ **Professional appearance:** The premium white finish enhances the look of any washroom, reflecting positively on your business or facility
- ✓ **Compatible and versatile:** Standard sizing and folding make these towels compatible with most V-fold dispensers, ensuring seamless integration into your existing setup
- ✓ **Reduced waste:** Single-sheet dispensing helps control usage and reduce unnecessary waste, contributing to both cost savings and environmental responsibility
